## 2 Please check before using international shipping:

**Frozen items are excluded**

**Products subject to international shipping or import/export regulations may be excluded**

**Products restricted from overseas purchase by the store may be excluded**

**Delivery may not be possible due to ingredients, religious reasons, or customs restrictions**

## 3 Overseas Order Flow

## 4 Important Notice

We do not offer phone order services or support, including international calls. Please complete all procedures on the website when ordering from overseas.

\*Delivery availability depends on the country, region, and product conditions.
