

As registered dietitians, we believe that dietary therapy continues to be necessary even after you return home. We would like to introduce a mail-order service that delivers specialized meals right to your doorstep.

1 Over 1,800 Products Available

We offer products categorized by purpose, such as protein-controlled, nursing care, and energy-controlled meals. We carry a wide variety of items from approximately 70 manufacturers. Single-item purchases are available. *Excluding items sold in cases only

Concentrated Liquid Diets

Soft Foods

Reduced-Salt Seasonings

Frozen Foods

*Frozen items can only be purchased by residents in Japan.

2 Continue Easily at Home After Discharge

It becomes easy to continue using nutritional supplements and nursing care foods used in the hospital at home after discharge. Recommended for those who want to maintain the nutritional care recommended by their dietitians.
